

13 June 2016

Dear Parent/Carer

Following the abandoned D of E Bronze expedition, the participants need to complete the second part. We would expect this to take place over 3 hours. We would like to take the students out on Monday 27 June to complete this, after College. We will also have a BBQ afterwards on the beach in Sandsend. Students will need to be collected around 7.30pm.

Students will not need to carry the full expedition kit, just a small rucksack with waterproofs, drinks and snacks will be fine. For those students who are not going straight onto the Silver award, please can we ask that all expedition kit is brought back next Thursday 16 June and that it is clean and ready for the next group to use.

Should you have any questions or concerns, please do not hesitate to email me k.price@ccwhitby.co.uk.

Yours sincerely

Mrs K Price
D of E Leader
