30 January 2016

Dear Parent/Carer

I am writing to you to inform you that since the start of this term, your son or daughter has been working on their GCSE Art exam preparation. This process is extremely important and, along with the exam, forms Unit 2 which is worth 40% of their final grade. Poor performance in Unit 2 can result in a student achieving a grade lower than was predicted. Similarly, high performance in this Unit can result in them exceeding their predicted grade.

With this in mind, the Art department requests that you encourage your son or daughter to keep on top of their class work and complete their independent work at home or College to their best standard. If a student would like extra help or just finds working at home difficult, we run art interventions and catch-up sessions on Mondays, Wednesdays and Fridays after College, 3.30pm – 4.45pm in A9. In addition to this, A9 is open for art work every lunchtime apart from Tuesdays.

If you have any concerns or questions, please do not hesitate to contact your son or daughter's art teacher.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Andrea Brown'.

Andrea Brown
