11 January 2017

Dear Parent/Carer

Please find enclosed the options form for this year; this will need to be completed and returned to your son/daughter's form tutor by Friday 17 February. This is the first year that, like many schools, our students have been able to start specialising in their chosen GCSE subjects in Year 9.

It is proposed that your son/daughter will follow the green pathway. This means that we believe he/she has the ability to take a humanities subject (History or Geography) and a language (French or German).

I look forward to seeing you at the curriculum event on Thursday 19 January from 6.00pm to 8.00pm where any questions about the options, or completion of the forms, can be answered.

Yours sincerely
