March 2016

Dear Parent/Carer

As we approach Easter, I would like to wish you all a lovely holiday. For your information, the College closes on Thursday 24 March and re-opens again on Monday 11 April.

I know that the last few weeks have been filled with talk about the proposed merger and the consultation process; please remember to complete your response to this – the link is available from our website (www.ccwhitby.co.uk). The closing date for responses is 4 April 2016.

I fully understand the concerns that many parents may have due to the uncertainty regarding the provision of schooling in Whitby. Once the County Councillors have met on 26 April and decided whether or not to proceed with their proposal, we will be in a position to set out our plans for moving things forward - either as two separate institutions or as one. Whatever the outcome, there will be meetings, early in May, to inform parents and discuss any issues that will become clear at that time, with all students and parents.

As always, thank you for your support over the last few months; we believe that our current students are making good progress and many are preparing themselves well for the forthcoming public examinations. I am sure that, together, we can keep students in a positive frame of mind, particularly by encouraging them to take full advantage of the support that College staff are offering to them at this time through the many clubs, revision activities and support sessions that have been organised.

I wish you all a pleasant family time together over the Easter holiday.

Yours sincerely
