Dear Parent/Carer

Please find enclosed the Autumn 1 monitoring for your son/daughter. Target grades are aspirational and set based on their overall best 8 score at GCSE level.

If your son/daughter is two grades below target, in any subject, they will be placed on a support programme (PMIS Post Monitoring Intervention System) in order to help them achieve their target grade; you will receive a separate letter about this. If they are on target, may I take this opportunity to congratulate them on their success so far.

Please do not hesitate to contact the 6th form office if you have any queries regarding this matter.

Yours sincerely
