04 July 2016

Dear Parent/Carer

### **"MY FUTURE" PROGRESSION FAIR - TUESDAY 19 JULY 2016**

Your son/daughter will be attending the bi-annual Progression Fair on Tuesday 19 July where there will be the opportunity to meet over 20 higher education institutions as well local further education colleges, training providers and Sixth Form colleges. We are excited to tell you that there will also be a comprehensive range of local and national employers offering lots of career options across a diverse range of job sectors. There will be over 60 exhibitors representing a wide range of employment sectors. STEM Ambassadors will also be on hand to discuss science, engineering, technology and maths career options with students.

#### **Advice & Information for Year 9 & Year 11 students**

Year 9 students will visit the Progression Fair in the morning and Year 11 students will visit the Fair in the afternoon. Students will also be completing a Progression Questionnaire so that they can be given targeted support to help them progress into their chosen career pathway as they continue with their academic studies here at the College.

#### **Advice & Information for Sixth Form students**

Year 13 students will have a full day of workshops and activities to help them plan for the next step in their career pathway. The workshops will cover everything from applying for a place at university to apprenticeships and there will also be workshops covering a wide variety of careers in the healthcare sector including nursing, midwifery and physiotherapy. Year 13 students will also have the opportunity to visit the Progression Fair at lunchtime to meet employers, training providers and universities.

#### **Advice & Information for Parents**

We have asked the exhibitors to remain with us until 4.30pm to enable a time slot for parents and carers who may wish to support their son/daughter in planning their future. We would like to invite you to attend and explore the huge range of opportunities. Refreshments will be available for you at this time.

The "My Future" Progression Fair offers your son/daughter an excellent opportunity to explore their progression choices across a wide range of careers and study options. Please discuss this with them before the event and encourage them to ask questions so that they can explore the many opportunities available to them for both further study and employment. You are more than welcome to visit the event from 3.30pm to 4.30pm and we look forward to seeing you there.

Yours sincerely
