28 April 2016

To parents/carers of Year 9 students

Dear Parent/Carer

We are writing to advise you that an error has been made when predicting grades for Information Technology and Physical Education for students in Year 9 and therefore, regrettably, the published grades in these subjects are incorrect.

You may have received a letter to say that your son/daughter is underachieving in either or both of these subjects and we would ask that you disregard this letter, or the inclusion of either of these two subjects within the letter if other subjects were also identified.

We sincerely apologise for this and would like to reassure you that this has been amended. We would reiterate that this only applies to Information Technology and Physical Education and your son/daughter's correct grade in these subjects will be reflected in our next monitoring which is due in June.

Please do not hesitate to contact the College if you would like any further information.

Yours sincerely

A handwritten signature in black ink, appearing to read 'S Jones'.

Mrs S Jones
Senior Assistant Principal
