19 January 2018

Dear Parent/Carer

Please find enclosed a copy of the latest monitoring report and December trial exam results. I have also enclosed a copy of this years' GCSE timetable along with the forthcoming spring trial exam timetable.

We have approximately 80 College days until the start of the GCSE exams and there is still much work to be done. Individual subject areas are putting on extra sessions and master classes for students to which students are collectively and individually invited. I also would like to confirm that I intend to put on some parent evening sessions in order to help you to support your son/daughter during this period leading up to the GCSE exams. I will put parental information on our website under the parent tab, "Parents of Year 11". The next date is 5 February 2018.

Details of further support can be found on our website under the "Parent" tab. If your son/daughter requires any extra support, in any subject area, please contact the College.

Thank you for your continued support as it really does make a difference. Should you require any further information, please do not hesitate to contact me at College.

Yours sincerely

Mr J Bond
Assistant Principal
