15 March 2018

Dear Parent/Carer

**Catering Service Changes**

We have received notification from our Caterers that the cost of a 'meal deal' must increase to £2.40 per meal, with effect from 1 April 2018. Some of the prices of other items available from the canteen will also need to be increased.

This is to accommodate the cost of the living wage pay increases to the service and the inflationary increases in the cost of electricity and other associated, canteen costs.

The meal price was held at the lower rate for as long as possible and the College does not profit from this service.

Please can you ensure that your son/daughter's ParentPay lunch account has sufficient credit on it to in light of this increase - ParentPay accounts should always have sufficient credit on them before your son/daughter takes items from the canteen.

Yours sincerely
