Dear Parent/Carer

### Exchange Visit from France 2018

During November this year, we are hoping to again host a group of students from Lycee Vaugelas - a high school in Chambéry, France. I believe that this is an opportunity that your son/daughter would gain a great deal from, if it is possible for you to host a French student.

The current details are as follows:

It is proposed that the French students will stay for one week (Sunday 18 November, arriving early afternoon, and leave early morning Sunday 25th November, leave early morning). The host students will be involved in a range of cultural and learning activities, both in and out of College that week, culminating in a celebration evening on the Friday, in College, to showcase their work.

Students will be working on an exciting project that will develop their skills and experience in music, French and English literature. The visiting students will be a mixture of music-specialist and English literature specialist students (who are studying the UK English Literature A-level). All the students involved will have the opportunity to visit France for the return visit next year.

If you are able to host a student and your son or daughter would like to be involved, please return the reply slip at the bottom of this letter, as soon as possible. There will be a meeting for all parents and students involved once the group has been finalised.

If you would like to discuss this visit with me, please do not hesitate to contact me as soon as possible at the College and I will be very happy to answer your questions.

Yours sincerely

Mrs H Beattie
