

Family Uni-Wise Event
Tuesday 5th June 2018, 5:30pm-7pm
Eskdale School, Stainsacre Lane, Whitby, YO22 4HS

Dear Parent / Carer,

The Universities of Hull, York, York St John and the National Collaborative Outreach Programme (NCOP) FutureHY would like to invite you and your child to Eskdale School to explore the opportunities that exist in Higher Education (HE).

You may not have considered University as an option for your child; and University may seem like a long time away; but it is never too early to consider opportunities and potential pathways for the future.

There have been many changes in both the economy and in the University landscape in recent years. This event is a chance to get first-hand information which will help you and your child to consider various options. The event is open to **ALL** Whitby pupils and families from Year 7 to Year 11.

You will be able to find out more about the important issues surrounding Universities such as:

- ***Studying Higher Education at University – is it worth it?***
- ***Progression routes into Higher Education***
- ***Degree apprenticeships***
- ***How you can support your child towards their goals***

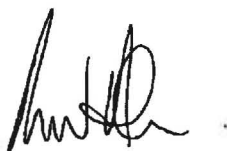

At the same time, your child will have the opportunity to engage in a range of fun interactive games and exercises designed to introduce them to the world of higher education in an exciting and engaging way.

Representatives from local colleges will be on hand to talk to you and your child about course options after Year 11.

The event is FREE to attend and starts with complimentary refreshments and nibbles for everyone. Parking is available at Eskdale School.

We strongly urge you to attend to find out more. There is no need to book your place, just turn up on the day! If you have any questions or queries about this event, please contact **Vicky Bradley** victoria.bradley@coventry.ac.uk.

Yours sincerely,

Richard Adams | Outreach | North Yorkshire Partnership Hub
