7 June 2018

To Parents of all Year 11 Students

Dear Parent/Carer

I am writing to let you know that we are bringing forward the date for official study leave for Year 11 students to Monday 11 June. The subject-specific workshops and revision sessions are continuing, as planned (please see the enclosed list), and we strongly advise that students attend these sessions and would appreciate your support in encouraging them to do so. Please note that, any student who wishes to attend the subject-specific workshops, or who wishes to stay in College for the full day to study, must sign in and out in the Year 11 common room. Can you please remind your son/daughter of this. During the study leave period, should your son/daughter not be staying in College for the full day, we will expect that you will have agreed with them, in advance, how they will get home safely and where they will be each day.

I am pleased to be able to let you know how delighted the staff at the College and I have been with the way that our students have conducted themselves during the exam period - with those taking exams behaving very responsibly under the necessary exam conditions and those not taking exams supporting others by being so well-behaved around the examination rooms. The students really have been a credit to themselves, the College and to their families through their exemplary behaviour and we are very proud of them.

Please can you advise your son/daughter that they will need to leave the site via the top gate on the driveway if they are not leaving at times when the back gate would normally be open for students.

May I also take this opportunity to wish you and your family a safe and enjoyable summer break, which is fast approaching and also would like to say what an excellent year we have had again at the College, with such a full range of enrichment opportunities taking place during the year. We look forward to celebrating the end of Year 11 with everyone at the Prom on 26 June 2018.

Yours sincerely

A handwritten signature in black ink, appearing to read 'V Rahn'.
