21 February 2019

Dear Parent/Carer

Thank you for attending tonight's year 8 Parents' Evening. I hope that it is an informative evening for you. The education of your son/daughter and the progress they are making in their studies is very much a three-way partnership between yourselves, the College and the young person themselves of course.

We have provided some information to support your discussions this evening:

- a copy of your son/daughter's attendance record for the academic year to date
- a copy of their assessment information from the Autumn Term

Year 8 students will be moving to the Normanby site at some point in the summer term. We are currently finalising the details about how they will choose some of the courses they will follow in Year 9. We will be contacting you after half term to invite you to our "Year 8 into 9 Choices Evening" in the middle of March, a time and date will be confirmed later.

Finally, we would be grateful if you could take a few moments to complete two surveys we have enclosed. The first one asks for your views about Caedmon College and how we could make it an even better place for your son/daughter to be educated. Please tell us about the things that we are 'getting right' as well as the things we could be "doing better"! The second asks about what types of support you would welcome as parents bringing up a child in today's complicated world.

I am sure that you already follow news about what is going on in College via our website and through our social media feeds. We have also recently launched a weekly newsletter for parents. I would really welcome your feedback and ideas about how we might further improve our communication with you at home.

Thank you for your continuing support.

Yours sincerely

A handwritten signature in black ink that reads "Simon Riley".
